The Texas Water Utility Association **Panhandle Region** is pleased to announce the **46th Annual Regional School**, which will be held in Amarillo Texas at the **Amarillo Civic Center** located at 401 S Buchanan St, Amarillo, TX 79101

Last year's school was a tremendous success thanks to all our supporters. We would like to extend an invitation for you to participate in this year's annual utilities school as an exhibitor in our product and services display area. We have approximately 13,000 square feet within the exhibit area for our exhibitors and a drive-in ramp providing easy access for loading and unloading as well as allowing for the display of mobile equipment within the facility. The 16' x 16' high overhead door will easily accommodate large equipment displays. You will be assigned a booth approximately 8' X 10' with a rental fee of \$400.00, which includes 2 chairs, power for lighted displays, registration and two noon meals for two of your company's representatives. Displays set up outside the designated booth will be an additional \$50.00. If you wish to register additional representatives, please add \$65.00 per registration.

All exhibitors and sponsors are recognized at the school. We deeply appreciate your participation in this important activity, as the school would not be possible without your support.
